2 STRATEGIC CREDITS

What's Next for HR Professionals

presented by

PAM GREEN, SPHR
SHRM Chief Membership Officer

For most organizations today, the business focus has shifted from short-term survival to long-term sustainability. Achieving this will be a true test of HR leadership in the uncertain post-recession economy. Join us as a top SHRM executive explores three major challenges HR professionals are facing today, and a two-part strategy for turning the challenges into opportunities for your organization -- including 2 very impressive case studies.

PAMELA J. GREEN, SPHR has held the position of Chief Membership Officer for SHRM's roughly 250,000 members since 2008. A highly sought after public speaker, Pam has presented for the Congressional Black Caucus & American Society for Healthcare Human Resource Professionals, to name a few. We are honored to host such a distinguished guest!
